The impact of the transnational
learning activities on **HEIs**

Thursday, 20/05/2021

10:00 – 13:00 (Romanian time)

09:00 – 12:00 (Norwegian time)

<https://meet.google.com/ttj-pcjt-geh>

The transnational learning activities developed in the frame of the ClassroomLab project used innovative practices of co-teaching and co-learning based on the use of digital platforms and VR advanced technology of synchronic communication across distance. The learning process was experiential, allowing Romanian and Norwegian students to meet and collaborate, dealing with real-cases from the world of work, in direct dialog with an interdisciplinary team of teachers and researchers from partner Universities.
